- Water Hazards – Drop in drop area or in path back to last shot from water (1 stroke penalty). If ball hit on other side of water and rolls in, drop on side it hit no closer to pin (1 stroke penalty).
- Ball can be rolled (2-3”), cannot be rolled out of path of hazard.
- Pick up when 4 over par is reached.
- Pick up when 18” from hole.
- Ready golf, hit when you get to your ball. Limit ball searches to a couple minutes.
- When any of the above occurs, review with opposing team and get consensus.
- Have fun, no whining!!

- **Handicaps**

- Use 4 lowest of the last 10 scores posted in a prior maymvp golf event (Ryder, President, World Cup).
- Use slope and rating for tee box you select. Move up you get less strokes move back you get more.
- 60 years and older can play one tee box up (~5300-5900). 75 years and older can play two tee boxes up (~4900-5400). Everyone else can choose standard (5800 – 6300) or champion (6200-6600).
